

O IMMACULATE VIRGIN ❀ Mother of Mercy ❀ Health of the infirm ❀ Refuge of sinners ❀ you know my wants, my pains, my suffering; ❀ deign to cast a favorable look on me. ❀ By appearing in the Grotto of Lourdes ❀ you wished to make that spot a privileged place ❀ where you would dispense your favors. ❀ Already many of the unfortunate have found there ❀ a remedy for their spiritual and corporal infirmities. ❀ I come full of confidence ❀ to implore your maternal favors (*pause to mention intentions*). ❀ Hear, O tender Mother, my humble prayer. ❀ Blessed with your benefits ❀ I shall endeavor to imitate your virtues ❀ in order that I may one day share in your glory.

BLESSED ARE YOU, most pure Virgin, who deigned to appear eighteen times ❀ resplendent with light, sweetness and beauty ❀ in the Grotto of Lourdes ❀ and to say to the humble child ❀ who contemplated you in her ecstasy: ❀ "I am the Immaculate Conception."

*V. O Mary, conceived without original sin,
R. pray for us who have recourse to thee. (3x)*
